## No. 700 "Master" Screw Driver Assortment

*This Merchandising Display Will Increase Your Sales of High Profit Screw Drivers*

**The Display Board Is FREE...**

**You Pay ONLY for the Screw Drivers**

Bridgeport No. 700 Assortment provides a balanced, minimum stock of top-quality screw drivers mounted on the largest, most valuable Display-Dispenser Board ever offered. Handsomely decorated 5-ply Hardwood 30 x 24 x 5 inches, imprinted with the trade number, size, and price of each item. There are from one to three of a kind in 32 styles and sizes. Total quantity—80 screw drivers. All have hammer-proof, shock-proof, non-inflammable lustrous Amberlite Handles and finest polished Alloy Steel Blades.

As shown on the illustration, every tool in the assortment has maximum display and attention value.

Each No. 700 Assortment is packed in a shipping carton.

Size 30 x 24 x 6 1/2 inches — Weight, each 30 lbs.

See Page Nos. 4, 5 and 6 for Dealer's Prices on Refills and Individual Items.

## No. 600 "Junior" Screw Driver Assortment

***Increase Your Sales With This Small, Effectively-Displayed Balanced Stock of 17 Types and Sizes.***

The No. 600 Assortment comprises 43 top quality Amberlite handle screw drivers completely displayed on sales-making Dispenser Board.

This "Junior" Assortment carries the same strong sales appeal as the famous No. 700 "Master" Assortment which has doubled the sales of high profit screw drivers for thousands of Dealers.

As illustrated it provides a smaller unit stock and display of the same fine screw drivers.

There are 17 types and sizes, with from 1 to 3 of a kind, as listed on this page. Each is a proven seller.

The sturdy plywood Display is just the right size (12 x 23½ inches) to fit where space is limited. Clearly marked with number, size and price of each item. Each tool is branded with number and size.

Each No. 600 Assortment is packed in a shipping carton.  
Weight, each 14½ lbs. Size 12½ x 24 x 5 inches.

**THIS VALUABLE DISPLAY IS FREE! YOU PAY ONLY FOR THE SCREW DRIVERS  
ALL ARE THE FINEST OBTAINABLE QUALITY**

BLADES: Forged Alloy Steel with gauged, cross-ground points, full tempered, tested and polished blades.

**HANDLES:** Genuine bar Amberlite which is Hammer-proof, Shock-proof and Non-Inflammable. The extra large sizes and special design give maximum turning power. High gloss finish.
